

OPTIONAL EXTRAS

Dyneema® Bowrope may be purchased in lieu of the standard wire rope with an Ali Hawse as well.

Swivel Recovery Eyes and Tested Bow Shackles in pairs to suit most of our bumper fitting kits.

Goodwinch Air Operated Freespool Kit for remote use inside the cab. Requires a small ARB compressor

Longbow lightweight Ground Anchor. Ideal for all winching scenarios when there is a distinct lack of trees.

Quality winch covers made of Cordura to protect the winch from the weather and prying eyes.

Goodwinch Turbo Power Controller for the serious competition enthusiast. Instant, on the fly, 24 volts for high speed winching in.

We have BRB bumpers and fitting kits to suit Land Rover, Discovery 200, 300 and Series 2,3 & 4 plus Classic Range Rover and P38.
